Best Paper Awards

Critical Reviews in Environmental Science and Technology

VISIT JOURNAL

About the award

The Editor-in-chief and co-editors of *Critical Reviews in Environmental Science and Technology* are proud to announce the winners of the Best Paper Awards. The selection process of the Best Paper Award is led by Co-EIC Dr. Robert Letcher at Carleton University, Canada, and is based on the most-cited and most-read papers during the past two years as well as the overall quality of the papers.
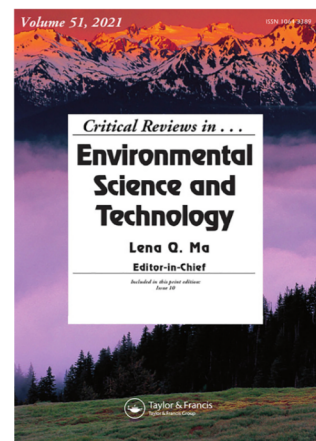

Congratulations to the winning authors from all at *Critical Reviews in Environmental Science and Technology* and Taylor & Francis for winning a Best Paper Award!

Submissions information

Submit to *Critical Reviews in Environmental Science and Technology* to be in with a chance of winning in future years!
